Fence Requirements, Hallam Ordinance Code Section 11-110

1. Call Diggers Hotline to locate all buried utilities before digging.
2. Locate lot lines to ensure proper placement. Determine if easement on property.
3. Fences may not exceed six (6) feet above the ground on any side or rear of the yard.
4. Fences may not exceed four (4) feet above ground on any part of a front yard or corner side yard. Fences in any front yard or corner side yard must be of an open weave or see-through design.
5. All privacy fences must be erected with the intended "good (or finished) side" facing outward.
6. Meter readers need to be placed outside of the fence.

Draw the intended location of the fence relative to your house, property lines, and other structures on the property. Show in detail where gates will be.
Show North arrow.

Fence Permit \$25.00 payable to The Village of Hallam
